Coastal Kids Home Care is the only free-standing, pediatric Home Health Agency in the state of California. The 501(c)3 was founded in June of 2005 and provides over 3,000 annual home nursing and therapy visits to children on the Central Coast. Coastal Kids is now the only company in Monterey County providing terminal care to children. Without the services provided by this agency, children would spend many more days in the hospital and would spend their last days in a hospital bed, not their own. *Please help support the work of these dedicated pediatric professionals by ordering lunch for your family or office. Thank you very much.*

## Lunch Includes:

12 oz clam chowder, 1/2 lb. sourdough bread round, and apple.  
Utensils also included. Butter and crackers available upon request.
