*Attend an Open House
and learn more about
Monterey Bay Charter School.*

Using Waldorf-inspired methods integrated with State standards, the teaching methods place equal emphasis on a solid academic foundation, artistic expression, and social/emotional development.

Monterey Bay Charter School nurtures and inspires creativity, critical thinking, and motivated learning. Committed to educating the whole child, the school endeavors to foster the unfolding of each child's full potential.

Enrollment Requests received by March 1 are included in a random drawing for fall openings.
