what you'll DISCOVER

Day At The Beach A special area intended for our younger visitors ages 3 and under.

Go-Fore Golf At MY Golf, the focus is on learning the skills needed to play golf - but watch out for those pesky gophers!

Healthy Fields Whether picking produce from the fields, delivering goods to market, or riding the tractor, there is a lot to do on the farm.

Theater Families and groups find everything they need to put on a great performance.

ImagiTree MY Museum's signature exhibit stands tall in the center of the museum, complete with its own tree house.

Hospital Upon entering the emergency room, visitors have the opportunity to operate on MY Patient, drive the ambulance, and much more.

Creation Station Visitors will be given the tools they need to make their own art piece using a variety of recyclable and non-recyclable materials.

And much more!
