A program of Invent Now<sup>®</sup>

## UNLEASHING CREATIVE GENIUS... ONE CHILD AT A TIME

This summer, invest in the skills that will help your child achieve his or her full potential throughout the school year. Nonprofit Invent Now's premier program, Camp Invention, is a weeklong adventure in science creativity. Led by qualified educators, this exciting program is being hosted by **Educational Resources of Monterey County at Hallmark Charter School** this summer for children **entering grades one through six**. The Camp Invention program is a unique opportunity for your child to experience hands-on learning through FUN activities that will stay with them for years to come.

### This year's CREATE program features:

#### Problem Solving on Planet ZAK<sup>®</sup>

Crash-land on an alien planet! Use your creativity to assess its weather conditions, assemble protective shelter and clothing, and survive this strange environment.

#### Saving Sludge City<sup>™</sup>

It's up to you to "green up" the contaminated wasteland. Create clean landfills, invent pollution-free transportation, and rebuild a cleaner, more eco-friendly city!

#### Imagination Point: Ride Physics<sup>™</sup>

Work as an intern for the world's newest and largest amusement park. Investigate the science behind daredevil rides and construct your own model roller coaster!

#### Game On: Power Play<sup>™</sup>

Practice teamwork, coordination, and creative problem-solving skills as we explore new games and add our own twist to create high-energy challenges!

#### I Can Invent: Edison's Workshop<sup>™</sup>

Using real tools, take apart a broken appliance and upcycle its gears and gadgets to create ball-rolling and Rube Goldberg-type machines!
